**Best Practices 2017-2018**

## **1. Agashe Kabaddi League (AKL)(2017-18)**

### **Context that required initiation of the practice (100-200 words):**

The developing/evolving Sporting events at National and international event are integral part of Sports today. Our students are unaware or have inadequate information about these events. To introduce this Organization of such events the AKL was organized.

### **Objectives of the practice (50-60 words):**

1. To introduce students to a newer format of sports event organization.
2. To provide opportunity to Kabaddi players to showcase their talent.
3. To utilize/explore potential sports management skills among students
4. To enable students to participate/contribute to the organization by delegating responsibilities of various nature

### **Practice (250-300 words):**

To introduce new formats of Sporting events this initiative was taken. AKL was organized on 4-5 Apr. 2018. A detailed process of Sporting event organization was followed for better and practical experience. A different format of the game was introduced and shown to students. Selected students were identified and were auctioned. The competition was organized and had a very formal outlook. Officials, players and faculties had very professional roles to play. The competition was a great success and the objectives were fulfilled.

### **Obstacles face if any and strategies adopted to overcome them (150-200 words):**

#### **Obstacles:**

- Funds were hard to find.
- Lot of time and man hours was to be spent on the organization of such events.

#### **Strategies adopted:**

- College & faculty had to contribute for the League.
- Work for the organization of AKL was done after office hours.

### **Impact of the practice (1000 words):**

- The AKL introduced students to a newer and more professional format of sports events. We could also have consider double league method however due to the time constraint the round robin format used was found to be effective.

- Many seasoned Kabaddi players could showcase their talent. In fact many more unknown talents were brought up in this event.
- Sports management or event management and organization skills of students and teachers were improved and developed.

**Resources required:**

Funds, office support, officials from association, sound & lighting system.

## 2. Formal Uniforms

**Context that required initiation of the practice (100-200 words):**

The college provides uniform for ground activities which includes sportswear and track suit. College doesn't have funds for Formal Uniforms which is the need of today's market. The college hence decided to cut short on the expenses on Sportswear and spend on quality Formal Uniforms. The students would come in formal uniforms during theory classes and programs whereas when on ground they would come in sportswear.

**Objectives of the practice (50-60 words):**

Provide the student trainees with Formal Uniform to be used during lectures, theory classes, and other official programs.

**Practice (250-300 words):**

The student trainees were given formal uniform – shirt and tie which should be wore only on formal functions. Later on it was mandatory for the students to wear uniform on selected weekday every week.

**Obstacles faced if any and strategies adopted to overcome them (150-200 words):**

**Obstacles:**

- Less funds for Formal Uniforms
- Students failed to wear Formal uniforms

**Strategies adopted:**

- Managed funds.
- Students were continuously conveyed the importance and value of coming in formal uniforms.

**Impact of the practice (1000 words):**

- Formal outlook to students.
- Similar uniform created a different scene during programs or functions.
- The uniforms were used during practice Lesson also.

**Resources required:**

Fund allocation for uniforms
