Introduction

Established in 1977, the Chandrashekhar Agashe College of Physical Education (CACPE), Pune, under the aegis of Maharashtra Mandal, Pune, has emerged as one of the leading institutions in the field of Physical Education in Maharashtra. Since its inception, the college has consistently strived for excellence in academics, sports, and research.

The college is affiliated to Savitribai Phule Pune University (SPPU) and is recognized as a Research Centre in Physical Education. It offers a wide range of programs including undergraduate, postgraduate, M.Phil., and Ph.D. courses. Spread across a sprawling 32-acre campus, the institution is equipped with excellent infrastructure, well-maintained playgrounds, tracks, and modern teaching-learning facilities.

With the support of a progressive management, highly qualified faculty, and an efficient and inclusive administrative system, the college has shown continuous growth and development over the years. A conducive, safe, and learner-friendly environment, along with a wide range of extension activities, ensures the holistic development of students.

The college has established a strong reputation at the national level, attracting students from across India and abroad. It is noteworthy that the enrolment of female students has steadily increased, and their achievements in academics, sports, and career placements have been remarkable. The institution remains committed to providing a supportive, inclusive, and empowering environment for all its learners.
